Jones, Harris win MWBPA Award Score Tournament

A 739 series by Kenny Jones of Bowl America Manassas and a 650 by Joanne Harris of Annandale Bowling Center were the winning scores in the MWBPA Award Score Tournament held last month at Shirley.

Thirty-three bowlers participated in this event, which was conducted and sponsored by the Metropolitan Bowling Proprietors' Association. Each man had rolled a game of 298, 299, or 300 in league play at an MWBPA center last season. Each women had rolled a game of 275 or higher.

After the bowling, which was free of charge, the participants were treated to lunch and then each was called up, in order of finish, to select from a table filled with merchandise items with retail prices as high as several hundred dollars.

Jones, who rolled games of 257-258-224, selected a television set as his prize. Harris, who scored 223-192-235, chose a Hammer bowling ball by Faball.

BOWL Magazine columnist Gary "Guru" Parsons, who finished second to Jones, said he would donate the stereo he selected to some youth bowlers.
