

Graham Aylor, Wanda Klimkiewicz win MWBPA League Officers Tourney

By Bob Cosgrove

Graham Aylor and Wanda Klimkiewicz were divisional champions in last month's League Officers Tournament at Bowl America Shirley. The event was conducted and sponsored by the Metropolitan Bowling Proprietors' Association.

Aylor, secretary of the Northern Virginia All-Stars League at Annandale Bowl, captured the men's division with his 711 total, which included a 690 series on games of 231-216-243. Aylor's entering average was 191.

Klimkiewicz, vice president of the Debonaire Mixed League at Bowl America Duke, rolled her first 600 series (243-200-212/655) in winning the women's division with a 730 total. She entered with a 168 average.

Leonard Ray, secretary of the Nation's Capital Area Bowling Association, rolled 203-178-226/607 and 688 with handicap to finish second. Next was Jim Einhorn of Shirley with his 683 series on games of 258-219-206.

Second place among women went to Micki Mend of Fair Lanes Clinton, who participated in last year's event. Mend rolled 167-162-234/563 and 674 with handicap. Barbara Melella of Fair Lanes Centreville was third with 656. She had a 563 series on games of 154-182-257.

"I'm grateful to the Metropolitan Washington Bowling Proprietors' Association for conducting such a fine tournament for the league officers—with no entry fee, too!" said Aylor.

After the competition, the participants were treated to a buffet lunch, after which each was called up, in order of finish, to select a prize from items (average cost: \$50) that filled a huge table.

Aylor selected an Olympus Deluxe 35 mm. Camera Outfit for his first place prize, while Klimkiewicz now has a Toshiba stereo system.

Future MWBPA-sponsored events include the Seniors Tournament in May at Parkland and the Award Score Tournament in October at a site to be named.
