

Williams, Fein, Kaase, Weger, and Fosmire win divisional titles at Bowl America Youth of the Year Grand Finals

Bowl America Inc., surprised attendees of its 25th annual Youth of the Year Grand Finals June 8 at Bowl America Shirley by announcing for the first time in tournament history that nearly \$2,700 in scholarships funds would be awarded to the 2008 finalists.

Three of this year's five divisional champions bowled out of Bull Run, while the Gaithersburg and Chantilly centers each claimed a winner. Each champion also received a bowling pin trophy and a plaque.

All bowlers won weekly, monthly, and yearly competitions at his or her home center to qualify for the Grand Finals, before which each individual received a personalized shirt to wear while bowling. The non-winners also took home a plaque.
