NCAUSBCA BOWLERS SUPPORT BOWL FOR THE CURE® Local bowlers help strike back at breast cancer

Nation's Capital Area -- More than 2,000 local bowlers are expected to knock down pins to knock out breast cancer with the Nation's Capital Area USBC Association (NCAUSBCA) at the Bowl for the Cure® Day event being held at Bowl America Shirley on February 18, 2012 from 1:00 PM to 4:00 PM.

This year, local bowlers hope to raise more than \$50,000 to contribute to Bowl for the Cure, a year-round fund-raising and awareness initiative organized by the United States Bowling Congress in support of the Susan G. Komen for the Cure®. Bowlers around the United States organize tournaments, bowl-a-thons, raffles, auctions, and more each year to support Bowl for the Cure. To date, Bowl for the Cure has raised nearly \$6 million!

Overall program expenses will not exceed 20 percent of total revenue; all proceeds of the Bowl for the Cure benefit Susan G. Komen for the Cure, whose promise is "To save lives and end breast cancer forever by empowering people, ensuring quality of care for all, and energizing science to find the cures."

Susan G. Komen for the Cure

Nancy G. Brinker promised her dying sister, Susan G. Komen, she would do everything in her power to end breast cancer forever. In 1982, that promise became Susan G. Komen for the Cure and launched the global breast cancer movement. Today, Komen for the Cure is the world's largest grassroots network of breast cancer survivors and activists fighting to save lives, empower people, ensure quality care for all, and energize science to find the cures. Thanks to events like the Komen Race for the Cure, we have invested nearly \$1 billion to fulfill our promise, becoming the largest source of nonprofit funds dedicated to the fight against breast cancer in the world.
