LEAGUE DUES WORKSHEET SURVIVES

In response to a survey sent to approximately 100 association managers, it was determined the League Dues Worksheet that was part of the League Application was used infrequently or incorrectly. NCAUSBCA Manager Ron McGregor believes the worksheet has value to many of our league secretaries, and thus it appears on ncausbca.org in the "[Secretary's Corner](#)" section.

HALL OF FAMER FANKHAUSER DIES

Henry
Fankhauser

NCAUSBCA Hall of Famer [Henry Fankhauser](#) died July 27, 2015 at age 84. For many years a member of the Bowling Writers Association of America (today known as the International Bowling Media Association), he joined the *Washington Daily News* right out of high school in 1948 and wrote for several local newspapers and national publications after the *News* ceased operations in 1972. Fankhauser, a longtime resident of Silver Spring, Md., was a member of the Hall of Fame's "Class of 1987."

167.999

NCAUSBCA adult composite average for the 2014-2015 season.

Items for the new season

The 2015-16 season has begun:

➤ Awards: NCAUSBCA has a new program in place for both adult and youth bowlers. Awards may be earned on an annual basis.

➤ Sport Bowling: There is no longer a requirement to pay the \$15 upgrade fee. There's no need to send tapes to Bowling Headquarters and no more Sport awards. USBC encourages all of us to try the "challenge" patterns in the hopes that we will become better bowlers. I'd be interested in getting your feedback on this and what your expectations are and whether you relish the challenge.

➤ Board of Directors: There are a few vacant slots on the local association's board of directors, so please submit your résumé (click [here](#) for form) for consideration. If you think you have some ideas on how we can improve bowling for all in our area, please consider joining the board and working to make things better.

➤ Hall of Fame: The Hall of Fame Induction & Dinner Celebration will take place November 7, and all members are encouraged to attend.

It's time to update your tournament calendar, so here is the current list of NCAUSBCA events:

➤ Senior: October 24-25, 31, and November 1 at Bowl America Gaithersburg.

➤ Mixed Tournament in Support of BVL: December 5-6 at Bowl America Shirley.

➤ Mixed Scratch Doubles: February 2016.

➤ Youth Championship: March 5-6 and 12-13 at AMF Capital Plaza.

➤ Open Championship: April 2-3, 9-10, 16-17, and, if needed, 23-24 at The Lanes Fort Meade (team) and AMF Capital Plaza (singles & doubles).

➤ Women's Championship: June 17-19 and 24-27 at Potomac Lanes.

Secretaries:

➤ File the league sanction application within the 30-day grace period. Failure to do so violates the bonding program requirement. Remember to mark your league as "House/Standard" or "Sport/Challenge."

➤ Collect and send to NCAUSBCA a membership application for every person who bowls in your league, including all substitutes and any bowlers who paid online for a membership. The office staff will appreciate it if cards are divided into "Yes" (paid) and "No" (paid elsewhere) piles, with cards in each pile in alphabetical order.

➤ Give each team captain a copy of the league rules and lane assignments.

Treasurers:

➤ Set up a bank account requiring two signatures to withdraw league funds and arrange to have the bank statement sent to the league president.

➤ Monthly, provide each bowler with a report of their payment history to date.

➤ Use an accounting system that can withstand an audit.

Presidents:

➤ Perform a monthly audit of the league's funds to ensure all is in

Holmes, Slater to be inducted into NCAUSBCA Hall of Fame

National Golf Club at Tantallon to host November 7 ceremonies

Arlen "Yogi" Holmes started bowling at age 22 on a dare from childhood friend Kevin Diggs. Kevin

bet Yogi a lunch he could beat him in bowling and then did so all six games. When Kevin and Yogi had their rematch, Yogi beat him four games out of six and became hooked.

Yogi is a founding member of the Poison Bowling Club (1989) that promotes community service

and youth bowling in addition to the competitive yet fun side of bowling for adults. He has been a youth coach since 2004 and received his coaching certification in 2010. Yogi has coached youth leagues at Rinaldi's Riverdale and AMF Capital Plaza, where he also coached a travel league team. He currently coaches at The Lanes Fort Meade.

His coaching style not only teaches the basics for beginners; it prepares them for the advanced levels in bowling. He has coached several 600 Club bowlers, taking them out of the area to expose them to tournament play on various levels. Several of his students have moved on to bowl at the collegiate level, including his two sons, Najee and 2013 NCAUSBCA Ted Gruszkowski Jr., Youth Star Award recipient Zahir Holmes, along with Brandon Lowe, Cameron Brooks, and also Kayla Meadows, who competed for a national championship last April representing Bowling Green University. Several of Yogi's students have placed high in the Youth Invitational Scratch Singles Tournament.

Yogi works hard to improve his knowledge of the game and shares that knowledge with youth and adult bowlers. He has spent many hours assisting bowling teammates, opponents, and those that

want to improve their game. For several years, he has spent every Sunday morning, as soon as the doors opened at Rinaldi's Riverdale and now The Lanes Fort Meade, coaching and training any youth or adult that needs assistance. He explains the importance of stretching before starting, having the proper equipment, adhering to the basics, and being on time.

On the lanes, Yogi, a 30-plus-year USBC member who has competed in over 25 national tournaments, has recorded numerous 300 and 299 games and 700 series. This past season, he composited a 220.464 average for 390 games.

Yogi believes many in our area are losing interest in bowling, and it is his passion to help others find their appetite for our sport. There is hope for the sport with people like him encouraging our youth. His sons are young men away at college, yet he keeps showing up every Saturday morning on time, even though the parents may not be around, to encourage, mentor, train, and coach our youth bowlers. He keeps showing up, ready for anyone who wants to be a better bowler.

For his untiring efforts in supporting youth bowlers and promoting the sport in this area, Arlen "Yogi" Holmes is a most worthy addition to the NCAUSBCA Hall of Fame.

Billy Slater was introduced to bowling by his cousin at age 21 at Wheaton Triangle Lanes in 1973 after his passion to play professional football ended that year due to a devastating back injury. His first two leagues were at Fair Lanes University, where

* DECEASED

his averages were 163 (tenpins) and 113 (duckpins). He gave up duckpins after one year, and after two years of bowling with no formal coaching, he averaged in the 170s. Billy has become a very proficient bowler, consistently averaging over 200 and is well respected for his bowling, knowledge of the game, coaching, mentoring, and continuous passion and dedication to helping all bowlers, young and old, to promote the game of bowling. In addition, he incorporates real life experiences needed to help youth survive in life.

During his coaching sessions at the age of 22, Billy became interested in drilling bowling balls. He asked Wayne Shoemaker's dad (the owner of Bowlers General Pro Shop) to teach him the art of drilling, and Billy has been drilling balls for over 41 years. He employed his art major skills towards fitting and created an offset thumb grip that allowed him to release the ball easier and cleaner. His knowledge and understanding of the human hand has allowed him to custom-fit the grip of many bowlers, including those with arthritic and deformed hands, especially when working with elderly clients. His clients range from beginners to PBA members.

Billy currently volunteers his time at the Ft. Meade Pro Shop, where he drills balls for a number of youth and adults, while continuing to mentor and coach others in an effort to enhance their knowledge and enable them to have free and proper training. Ironically, he was denied help from many when he inquired about the game, which forced him to read and watch pro players to pick up the game and learn adjustments. Then, future Hall of Famers Willie Jelks and Elmer Breeden thought well of Billy's game, and Earl Anthony's books also helped enhance his bowling knowledge.

Billy owned and operated the Twelve In a Row Pro Shop for 21 years with Tony Walton, Chris Ward, and Tom Washington. He has promoted

Roto Grip since 1975 and received national awards as a "Top 5 Salesman" two straight years.

Billy is also a certified USBC coach, and he has worked with collegiate players from Howard, Morgan State, and UMBC. While he has fulfilled and accomplished many goals during his career as a coach and mentor, a few deserve special mention:

➤ He coached his daughter to a 183 average at the age of 13.

➤ Verra Diggs, a student at Bowie State, bowled her first 300 in a collegiate tournament.

➤ Billy is extremely proud of his most recent protégé, 12-year-old Tavera Johnson of Glen Burnie, Md., who won her U12 division scratch championship last April in the Pepsi Challenge at Forest Hills, Md., and competed in the Junior Gold event in Chicago.

On the lanes, Billy has rolled 10 perfect games, a dozen 299 games, and three 800 series, in addition to winning over 25 league championships, numerous tournament titles, and he's cashed in PBA regional competition.

Billy has always had a passion to help individuals of all levels, but especially the most challenged individuals who have been overlooked by others to help them with confidence, self-esteem, mental development, and being accepted as a viable, active, and competitive group who also wants to improve their skills.

Billy has been complimented by many for helping them to better their attitude, learn to read lanes, and giving them confidence by stressing, "Don't you ever give up!" He has always taught his students that bowling is not just throwing the ball and scoring but is a gift and a form of meditation. Ms. Diggs said Billy enhanced her game by teaching her that discipline is an essential part of life that goes beyond the scope of bowling. Needless to say, his experience as a bowler and athlete has enabled him to develop a keen eye in helping others with their game.

For more than four decades, Billy Slater, through his coaching and mentoring of bowlers of all ages and skill levels, including those with disabilities, his ball drilling skills, his equipment donations for bowlers in need, his volunteerism, and his genuine concern and care for human beings, has made bowling better for so many in this area. He is a welcome addition to the NCAUSBCA Hall of Fame.

Hall of Fame members wishing to attend the Hall of Fame Induction & Dinner Celebration on November 7 who have not been contacted by the Hall of Fame Committee should promptly communicate with the NCAUSBCA office.

To be eligible for the rankings, a youth must bowl a minimum of 60 total games. The divisions are determined by the youth bowler's age as of July 31 of the current bowling season. Youths who bowl exclusively in leagues in "self-processing" centers are not eligible for the rankings.

Bowling balls— buying, fitting, choosing

Q. *How often should I buy a new ball?*

A. There is a different answer to this question for everybody. If you are a once-a-week bowler and keep up ball maintenance (cleaning after use), the ball will be fine for at the very least a season or two or even three. If you bowl more than that and even weekend tournaments, you might only get only one season out of a ball.

There is another factor: Some re-active cover stocks soak up oil faster than others; they require more maintenance than others and will die quicker. My rule of thumb is if the ball stops hooking like it did when new or quits carrying, I take it in for a thorough cleaning and

resurface. Have the pro shop remove as much oil as possible and then sand and refinish the ball. That will usually get it close to when you first got it. This will last for a few months. If for some reason you still feel it isn't working, donate the ball to a youth league and buy a new one.

Q. *I have been bowling recreationally for several years but have recently taken more of an interest and am joining a league. My timing is good, but I always seem to drop the ball with a loud thud. This seems to cause me to not have much accuracy and affects the roll on the ball. What is your advice on this problem?*

A. First, I would get to your local pro shop as fast as you can. Have them check your ball to make sure the grip is proper—you can't bowl correctly with a bad fit.

Once that is fixed, take a lesson or six from a qualified instructor. This is to make sure your timing is what you think it is. Many times it feels good to us, but truthfully it is not very good. Lessons are not expensive and last a lifetime.

Q. *I am joining a league this season for the first time in many years. All of my equipment is old and out-of-date. What ball would you recommend for a bowler coming back to the sport? I used to average in the 190s.*

A. All manufacturers make very good equipment today, so they all make a ball that will fit your game. Because I am a member of Roto Grip's amateur staff and believe in the company's products, I use Roto Grip or Storm bowling balls for my game exclusively. (Storm is the parent company of Roto Grip.) I believe they make the best and most reliable bowling balls on the market today.

Go to your pro shop and ask them to watch you bowl and determine which of the different balls they sell will work best for your game. With both of these companies, there will be several to choose from.

By the way, don't forget to purchase a spare ball. In the past, a spare ball was not necessary, but it is today.

Bob Korth offers congratulations to our new league bowlers. To ask a question, write to askbobb@gmail.com.

The Best Bowling Tip I Ever Received

By Jeremy Crookston

The best bowling tip I ever received came from coach Bryant Mehio.

I received this tip near the beginning of the 2014-2015 season. I was already a pretty decent bowler stemming from previous coaching sessions over the years with other coaches, but this got me further than I thought was possible for me.

During one of the coaching sessions Bryant runs, he noticed that my timing was a bit early. I was releasing the ball at the same time my slide foot was hitting the approach. This caused me to be off balance at the line and lose leverage at the release point. He explained to me that if I delayed my release to just after I went into my slide, my game would improve in many different aspects.

I could feel the difference almost immediately: I was much more balanced at the line, my rotation was much better, my leverage improved, and I felt much more comfortable.

This tip helped me achieve my highest sanctioned average. I finished the season with a 230 average on the Bull Run Scratch Classic and a 236 average on the Automotive Men's League in Woodbridge. I also rolled two sanctioned 800 series in a single year, a feat I hadn't accomplished thus far.

I wouldn't have accomplished any of this if it wasn't for the support of my parents, David and Lorelee Crookston; my brother, Sean Crookston, for giving me stiff competition; and, of course, my wonderful wife, Gwendolyn Crookston. I also want to express gratitude to Bryant Mehio and Leslie Brown for giving their time to help both youth and adult bowlers.

For the second consecutive season, Jeremy Crookston placed third in NCAUSBCA's "Top 10" rankings, with a 233.8133 composite average last season and 228.1398 in 2013-2014.
