USBC adjusts timeline for new bowling ball specifications

ARLINGTON, Texas – After reviewing feedback from industry partners, the United States Bowling Congress Equipment and Specifications Committee has revised the implementation dates for the new bowling ball specifications announced earlier this year.

The Equipment and Specifications Committee determined the specification allowing increases in static weights for bowling balls without balance holes will begin this fall to allow for a smoother transition for bowlers.

Starting Aug. 1, 2018, bowling balls weighing more than 10 pounds will be allowed to have up to three ounces of static side, thumb, or finger weight and up to three ounces of top or bottom weight, provided the ball does not have a balance hole.

Bowlers still can have a bowling ball with a balance hole until Aug. 1, 2020, but any balls with a balance hole must stay within the current static weight specification of one ounce for finger, thumb, or side weight, and three ounces for top or bottom weight.

The specification eliminating the use of balance holes still will go into effect Aug. 1, 2020.

With the elimination of balance holes as of Aug. 1, 2020, bowlers may have up to five holes for gripping purposes and

The International Bowling Media Association recently announced that Chase Kaufman of Swartz Creek, Mich.; is the winner of its 2018 IBMA Chuck Pezzano Media Scholarship. The Lawrence Technological University sophomore was awarded the \$5,000 scholarship based on his qualifications and essay. Kaufman holds a 3.95 GPA and studies Media Communications. He is also a member of the Lawrence Tech Men's Bowling Team. In addition to his impressive academics, Kaufman finds time to produce and provide commentary for live streaming videos covering local bowling tournaments. The scholarship is available to high school or collegiate bowlers (of any skill level) who expresses a desire to pursue a career in bowling journalism. The deadline for the 2019 scholarship application is April 30, 2019. Applications can be submitted after January 1, 2019. To register and/or to obtain more information about the scholarship, feel free to visit bowlingmedia.org/scholarships.

FINAL FRAME

Hazel A. Beatty

NCAUSBCA Hall of Fame member [Hazel A. Beatty](#) died June 3, 2018 at age 95. She served on the board of directors of the Washington, D.C. Area Women's Bowling Association (WDCAWBA) for 18 years and was manager of the NCABA/WDCAWBA Senior Tournament for 14 years. Beatty participated in the first D.C. Golden Olympics in 1984 and later served as a volunteer coordinator for bowling events. She also took part in the Biennial National Senior Games (The Senior Olympics) from 1995 to 2009. A member of the Hall of Fame's "Class of 2002," she was a strong supporter of the annual Dinner & Celebration event, frequently appearing on the patron list as she was unable to attend in recent years. ... [Shelley Hall](#), daughter of Hall of Fame member Sharon Weber, died suddenly on June 7, 2018. Hall earlier worked as the food service manager at Bowl America Burke and was a familiar face to many bowlers during various association-sponsored tournaments conducted at the center. She was 54.

YOUTH COMMITTEE LOWERS ENTRY FEES

The NCAUSBCA Youth Committee recently announced that entry fees would be lowered in 2019 for both the Invitational Scratch Singles and the Youth Championship Tournament (YCT). The Invitational entry fee drops from \$35 to \$30 for each of the first four rounds, while the YCT entry fee will be \$20 instead of \$25. The scholarship awards will be supplemented from fund-raisers and unassigned SMART funds. In addition, the YCT will add a scratch singles optional event to each division.

PRESIDENT'S MESSAGE • WILLIE H. GRAVES JR.

Last roll as president

Many of you may not be aware that my turn as president of NCAUSBCA will end on July 31, 2018. It has certainly been my pleasure, and a blast and joy to have served in this position to all of the bowlers in this great association. I certainly hope that everyone is extremely pleased with the work your association has done over the past several years on your behalf.

I would like to thank all who have supported me during my three-plus years as president, especially the association's staff managed by Ron McGregor for its outstanding support and work in and out of the

Please also note that your association has improved its Web site offerings with more information regarding association events as well as upcoming changes mandated by USBC. Your association also will continue to improve its awards program, which I hope adds more value to your bowling experience.

As a reminder, new specifications have been established for the oil absorption rate of bowling ball cover stocks and for the elimination of balance holes, while increasing static weight allowances for bowling balls. Although this change will not go into effect im-

office and for meeting all required tasks and functions successfully and timely. I also would like to extend my thanks to the board of directors, whose members have worked to address issues and act as your voice at our monthly board meetings, the Virginia State meeting, and at the USBC convention.

It is very important to all of us that you as a bowler and member of this association participate in our Annual Meeting, for this will allow representatives from your board the opportunity to voice your concerns to both the state and USBC. Remember, information gathered during this meeting will be passed on to be addressed. Take time now to mark Sunday, February 24, 2019 on your calendar—the date for next season's Annual Meeting.

mediately, it will impact most of us during the next year. When the official date is released, I strongly suggest you not wait until the last minute to have your bowling balls corrected.

In conclusion, I would like to thank each of you for your support because it is greatly appreciated. I wish everyone continued success in bowling and in life, and always remember that strikes are great, but spares are very important too.

NCAUSBCA Board

The board has four vacancies for the term ending July 31, 2019 and is looking for candidates willing to interact with bowling on a different level beyond merely participating on league night. If you might be interested but don't wish to commit full-time right now, volunteers are welcome. Who knows, your particular skill set may make a difference.

You can fill out and submit a [candidate form](#), after which you will be contacted. Immediate assistance is needed for people with skills/contacts for fund-raising/grants, accounting, marketing, and public relations. You *can* make a difference if you take the first step.

on April 6-7, 13-14, and 27-28. Bowl America Manassas will host the Singles/Doubles event, and Bowl America Bull Run will host the Team event.

Hall of Fame 2018

NCAUSBCA's premier event, the Hall of Fame Induction & Dinner Celebration, is set for November 3, 2018 at the Bolling AFB Officers Club. This year's inductee is Tony Walton. Judging by past attendance at this venue, it is advisable to obtain your tickets early. Let's continue the tradition of having a classy and memorable event.

Leagues

I can't stress enough how important it is to attend the jamborees/league officers meetings. This is the time to go over things that caused problems last season. You also can meet your lane representatives and establish a rapport with them as well as change or amend league rules, etc.

Membership fees remain the same for the new season: Standard membership is \$24.00, which includes the Virginia State membership and covers multiple league participation and the 2019 summer season; Ba-

NCAUSBCA members perform clean sweep at Bowl America Youth of the Year Grand Finals

Miller, Wannakul, Ellis, Johnson, DeBat capture division titles

Division winners of Bowl America's Youth of the Year Grand Finals at Bowl America Shirley appear with their championship plaques and bowling pin trophies. In addition, each earned a \$100 scholarship. From left are Buddy Miller, Angelica Wannakul, Carter Ellis, Holly Johnson, and Tabitha DeBat. All of the event's participants, who shared in scholarship prizes totaling \$2,200, won monthly and yearly competitions at his or her home center to qualify for the Grand Finals, before which each individual was presented with a personalized shirt to wear while bowling. After the competition, the bowlers along with their guests were treated to a delectable lunch prior to the awards presentation.

MEMO, from page 13

sic membership is \$11.00 but is limited to one league; Youth membership is \$4.00; Local only is \$10.00 with a valid Virginia State membership; State membership is \$1.00.

New league champion pins soon will arrive at the office, and we will make every effort to see that all 2017-2018 champions receive their award.

USBC

I am sure by now you have heard something about the change in bowling ball specifications. In addition to the article on page 3, you will want to visit [here](#) to get the full story and how the changes impact you.

The term of Willie H. Graves Jr. as association president soon will end, and I want to thank him for working with the office staff and taking on the challenges of leadership these past two-plus years and for giving his time and expertise. Fortunately, he will hold the position as second vice president in the new season, so there will be some continuity on our executive board, and that bodes well for us all.

BALL SPECS, from page 3

all gripping holes must be used on every delivery. A bowler who chooses not to use a thumb hole would need to mark by scribe, engraver, or tool their intended center of palm with a plus (+) mark to indicate their grip orientation.

Bowlers who do not use their thumb for delivery and decide to use the higher static weight specification cannot have a thumb hole—it would be classified a balance hole—and immediately will be required to follow the specification requiring them to mark their intended center of palm.

The USBC Equipment and Specifications Committee did decide the gripping rules that become effective Aug. 1, 2020 will have an exception for house balls, for bowlers who use house balls and might not have the strength to use all gripping holes.

House balls are defined as balls supplied by the center where the competition is taking place, have a polyester or basic urethane cover, a differential RG of less than 0.025 inches, and the ball is not specifically drilled to fit the bowler.

The dates for implementing the new specification for the oil absorption rate of bowling ball coverstocks do not change. The initial step on the oil absorption specification will begin Aug. 1, 2018, when bowling ball manufacturers are required to submit oil absorption data as part of the USBC bowling ball approval process. The specification requiring a bowling ball's oil absorption rate to be more than 2 minutes, 15 seconds (2:15) for the ball to be approved will take effect Aug. 1, 2020.

However, because all current bowling balls will be grandfathered in regardless of oil absorption rate, the Equipment Specifications Committee determined the production of balls that do not meet the 2:15 oil absorption time limit must be stopped as of Jan. 31, 2022.

The new bowling ball specifications announced in April were designed to sustain the playing field both currently and in the future.

The Equipment and Specifications Committee has delegated authority from the USBC board to make changes to equipment specifications.
