OFFICIAL PUBLICATION OF THE NATION'S CAPITAL AREA USBC ASSOCIATION

WELCOME ABOARD!

***Jay Billings becomes
NCAUSBCA's
youngest-ever
board member***

NOTICE OF NCAUSBCA ANNUAL MEMBERSHIP MEETING

The Nation's Capital Area USBC Association will hold its Annual Membership Meeting to discuss association business, including proposals to change association bylaws, elect officers and directors who will lead the association, and elect delegates to the 2020 USBC Convention as well as the Virginia State Bowling Association Annual Meeting.

Meeting Location: NCAUSBCA Office Building (phone: 301/499-1693)
9315 Largo Drive West, Second Floor
Largo, Maryland 20774-4762

Meeting Date: Sunday, February 24, 2019

Meeting Registration: Begins at 11:30 a.m.

Lunch: Noon to 1 p.m.

Meeting Time: 1 p.m. - 3:30 p.m.

This meeting is open to all members in good standing of the Nation's Capital Area USBC Association. You must provide proof of current membership to be admitted to the meeting. Only those ages 14 or older may vote.

Directions to NCAUSBCA Office Building:

From the Capital Beltway (I-495), take Exit 15A (outside the Beltway) at Central Avenue. You'll soon drive underneath an overpass. Get into the far right lane and take Harry S Truman Drive (North), looping around so that you ultimately end up *on* the overpass you just drove under. As you approach the overpass, start to move over toward the left lane.

From the overpass, turn left at the *second* traffic light (Lottsford Road) and drive 1/10 mile until you reach the Stop sign at the bottom of the hill. Proceed directly into the parking area across the street at the two-story "Engineer Center" building that has "9315" above the doors of the main entrance. The check-in desk for Annual Membership Meeting attendees will be just inside the front door; the meeting will take place on the Second Floor via elevator or stairs.

USBC releases lane inspections research, extends data collection through last season

ARLINGTON, Texas – Data collected during the lane certification process shows approximately 91 percent of all centers inspected had less than 10 percent of the items measured out of specification and approximately 72 percent of the centers have less than 5 percent of items out of spec.

The 2018-2019 season marks the first time the United States Bowling Congress is analyzing all data received from lane certifications and is developing a database to examine all measurements. Between the lane and pin deck, lane inspectors make 29 measurements on each synthetic lane and 21 measurements on each wood lane during the inspection process.

After reviewing the data, the Equipment Specifications and Certifications Committee has determined it will extend the data collection for another season. To get additional center certification data, all centers that have a proper inspection with the three required signatures and supply the data to USBC Headquarters will be certified for the 2019-2020 season.

Also starting with inspections for the 2019-2020 season, USBC will increase the certification fee to allow local associations to charge up to \$10 per lane bed. The

SPEIGHTS EARNS FULL SCHOLARSHIP TO NEBRASKA

Amara
Speights

Amara Speights, 18, a senior at Freedom High School in Woodbridge, Va., this fall will attend the University of Nebraska as a student/bowler on full scholarship. A National Honors Society member who currently serves as manager of "Lady Eagles" junior varsity basketball team at Freedom, the right-hander intends to study behavioral sciences. Speights, who considered several schools with top bowling programs before making her decision, believes her performance at the 2017 Junior Gold event in Cleveland first caught the attention of Nebraska recruiters. She since has heard from PWBA member Lindsay Boomersshine, a former Husker. Nebraska, with its traditional powerhouse bowling team, has long been coached by two-time PBA titlist Bill Straub.

BOURQUE LEADS WAY IN BVL FUND COLLECTIONS

Phyllis
Bourque

NCAUSBCA member Phyllis Bourque of La Plata, Md., again this season has set an individual's standard for collecting funds for BVL. Earlier this season, she submitted a \$1,085.25 check to the NCAUSBCA office consisting of funds obtained from league bowlers at AMF Waldorf. Among the leagues supplying funds to assist America's disabled and hospitalized veterans were Tuesday AM Mixed, Saints, Winky Strine Memorial, Pin Pushers, Pinefield Mixed, Swingers, Hump Day Doubles, Gr8er Times, Waldorf Wonders, Keglers, Thursday Mixed, Friday Mixed, Sunday Mixed, Sunday Survivors, and Monday Nite Mixed. ... Last season, NCAUSBCA placed third among USBC local associations in BVL funds collected with \$15,700.

KULICK, BARNES, KOIVUNIEMI ELECTED TO USBC HALL OF FAME

Kelly Kulick, Chris Barnes, and Mika Koivuniemi will be part of the 2019 United States Bowling Congress Hall of Fame class after their election in the Superior Performance category. The three were among the 10 bowlers on the Superior Performance national ballot voted on by a panel of USBC Hall of Fame members, USBC board members, and veteran bowling writers. Candidates had to receive at least 70 percent of the votes cast to earn election. Kulick, Barnes, and Koivuniemi now are part of the 2019 USBC Hall of Fame class that will have seven members. They join the late John Davis (Meritorious Service), Bob Johnson (Meritorious Service), Larry Lichstein (Pioneer), and the late Jim St. John (Veterans), who were elected by the USBC Hall of Fame Committee in October 2018. The 2019 USBC Hall of Fame induction ceremony will take place May 1 in Las Vegas as part of the USBC Convention at The Orleans Hotel and Casino.

PRESIDENT'S MESSAGE • MICHAEL TINSLEY

Lane reps play a vital role in the success of many leagues

As we all get back into the swing of bowling in this new year, there are a couple of things that I would like to point out.

First is your lane representative, who serves as a liaison between the association office and a center's bowling leagues. Each center within the association is assigned a lane representative, and most centers will normally have more than one.

A lane rep:

- Helps promote a spirit of co-operation between bowlers, center management, and the local association.
- Is available when possible for league officer meetings, including in-house workshops.
- Assists leagues and league officers in solving problems that may arise during the bowling season.
- Advises leagues upon request about conflicts that may exist between their rules and those mandated by USBC.
- Serves as an information source on the requirements, benefits, and activities of the local association.
- Collects for BVL in his/her respective centers.
- Presents awards as requested by league officers.
- Distributes association activity information as needed.

The next thing I would like to discuss is BVL (The Bowlers to Veterans Link), the purpose

of which is to acquire funds for disabled and hospitalized veterans for recreational and therapeutic equipment and/or activities. During the BVL Fund Drive, lane reps will visit their assigned centers to collect BVL donations. Funds collected will be turned in to the association office and ultimately submitted to BVL Headquarters during the month of May.

Each association competes to see who can raise the most money for this worthy cause, and our association usually places in the Top 5 of all USBC local associations thanks to your generous donations.

One other thing claims my attention: the Annual Membership Meeting. Your local association conducts this meeting for all of its members, and it is held for the express purpose of exposing members to the interworking of the association's board of directors.

The meeting will include a discussion on the budget, the election of association officers and of Virginia State and USBC delegates, as well as the approval or disapproval of any amendments that are presented by the USBC Legislative Committee. Lunch will be served, and raffles are held.

Our 13th Annual Membership Meeting will be held Sunday, February 24, 2019 on the second floor of the NCAUSBCA

Does your league have a postponement committee?

I hope your league has completed at least one audit of the league finances—better to be safe than sorry.

This is the time of the season when weather can disrupt the league schedule, so please err on the side of safety and allow for postponements and makeup games. We've had a reasonably mild winter so far, but the prediction is for two more storms before old man winter takes a vacation. A postponement committee avoids the possibility of favoritism.

➤ Bowlers are allowed to ask for a postponement if they attend the USBC Championships or the local or state championship tournaments or attend the Annual Meeting.

➤ Rule 111b states that a league cannot adopt a rule that would prohibit any prebowl or makeup bowling postponements when a team is unable to field a legal lineup due to participating in any of the above events.

Tournaments: I would like to encourage every league in the association to enter at least one team in the association tournaments. Wow! Talk about the glory days of bowling; that would be some sight to behold.

➤ The 56th Annual Youth Championship Tournament will be held the first two weekends in March at Bowl America Falls Church.

➤ The 74th Annual Women's Championship Tournament will be held at AMF Capital Plaza March 16-17 and 23-24, 2019.

➤ The 74th Annual Open Championship Tournament will bowl April 6-7, 13-14, and 27-28, 2019. Teams will be at Bowl America Bull Run, and Singles & Doubles events will be held at Bowl America Manassas.

➤ Entry forms for all tournaments can be found on our association Web and Facebook pages. Both the Women's and the Open events will offer a Crossover Doubles event this year. Entrants will sign up at the time of bowling, so please arrive at least 45 minutes early to allow time to find partners.

➤ Anyone wishing to be a sponsor for any of our tournaments should contact Vice President [Willie Graves Jr.](#)

Our December 2018 fundraiser based on Virginia's daily "Pick 3" game is over, and checks have been mailed. The event raised \$3,100 that will be used to fund the NCAUSBCA awards program. Thanks to all who supported this activity.

Reminder to all league secretaries to submit awards for your bowlers. Award forms can be found [here](#).

JAY BILLINGS

NCAUSBCA Youth Director

At NCAUSBCA's January Board of Directors Meeting, President Michael Tinsley's appointment of Ja'Sean "Jay" Billings as a youth director was approved by the board. At age 14, Billings, a resident of Suitland, Md., and an eighth-grader at Drew Freeman Middle School, becomes the association's youngest-ever board member. Earlier this month as well as shortly after accepting his new position, he took time to answer questions from editor Bob Cosgrove.

idea of becoming a director. He said I could forward my ideas to the board as a director.

Anything that you'd like to focus on regarding the committees on the board?

NCAUSBCA is like a big corporation, and there's not really one thing I want to focus on. It would be adult bowling, youth bowling, everything—never just one thing.

You've already done several things with the association—work the Senior Tournament, inspect bowling lanes, and even attend this season's Hall of Fame Induction & Dinner Celebration. Is there something that has stood out from these experiences?

Well, I really love being at the office. I love helping out, especially the lane inspections during the summer. I love getting to learn how to do measurements, and I think that all youths should do that. We've gotten a lot of youths to come with us. We taught them how to do lane inspections, go under the pin decks. It's very fun.

What was your impression of the Hall of Fame?

I really love how everything was in order, how everything was so well done. I like all of the pictures of all of the Hall of Famers

from far back; it was very amazing.

Would you consider going to another Hall of Fame event?

Oh, yeah. That's something I'll be doing every year now.

What first brought you into a bowling center?

My grandfather, Kevin Roy, got me at the age of 3 into bowling. He and my whole family got me started.

Do your parents bowl?

My parents used to bowl, but my grandfather is the bowling guy.

What's been your biggest thrill on the lanes thus far?

The biggest thrill is when I shot my first 300 game and 800 set (815) at Bowl America Manassas at the Vern Burke Scholarship Tournament.

When did that happen?

It was March 25, 2018. I know the date!

You're currently on the "injured reserve" list. What happened?

I have a broken bone in my hand, which has not allowed me to bend my hand. This happened on the sixth of December 2018. I was reaching inside the washing machine to get money I needed. A piece of clothing grabbed my hand and spun my arm around. I had my 300 ring on, and that's what caused the broken bone in my hand. Fortunately, the money was upstairs the whole time.

When did you first think about becoming a director?

I actually thought about it around October of 2018. Me and the (association) manager, Ron McGregor, started thinking about different ideas I was talking about, and he gave me the

2018 Mixed Tournament sets entry and prize fund records

Event raises over \$10,600 for BVL

NCAUSBCA's 9th Annual Mixed Tournament in Support of BVL, which took place December 1-2 and 8-9, set records for teams (68, previous high 54) and doubles (166, previous high 125) and had a record prize fund of over \$21,000. In addition, the tournament raised over \$10,600 for the NCAUSBCA 2018-2019 contribution to BVL.

The tournament, held each December at Bowl America Shirley, expanded to two weekends this year.

Anthony Wilson Jr. of Upper Marlboro, Md., bowled his first career 300 game during the doubles event.

Special thanks go to the tournament's presenting sponsor, the Sports Plus / Carmen Don Pro Shop, as well as event sponsors WW Contractors, Inc., Rift & Friendly Bowling Distributors, MJ Cleaning & Painting, Inc., and Andrea & Thomas Dale Jr.

This season, three individuals qualified as squad organizers for bringing six or more teams: Joan Austin, John Heard, and Herb Smith.

BILLINGS, from page 8

So I broke my hand for no apparent reason in a washing machine!

Is there a particular subject at school that interests you or something maybe you think about for the future?

I really like math, art, and science but more of art. I was thinking about becoming a teacher.

Regarding education, are you doing everything you can on the lanes to earn scholarship dollars?

Yes, I always go to tournaments. I'm always competing for scholarship money so when I go to college, a bowling college, then I can have that money in scholarships that I need.

Where have you gone outside of the area to bowl for scholarship funds?

I went to Dallas, Texas. I've been to Kansas. I've been to Ohio. I've been to a lot of out-of-state, far out-of-state, places.

Do you think it's important that there be more youth representation on the board?

Oh, yes. I'm a youth, and we have a lot of ideas. We have a lot of different things that we would like to change, such as arranging for league secretaries to

get better training so they know what they're actually supposed to do. So I would really love more youths to come onto the board.

Do you think your new position as a youth director could be an inspiration to other youths who may not have thought about serving before?

Yes, because I think more youths would want to come in and share their ideas with everybody. *I* didn't think about becoming a director before. That's why I'm gonna go out and share with all

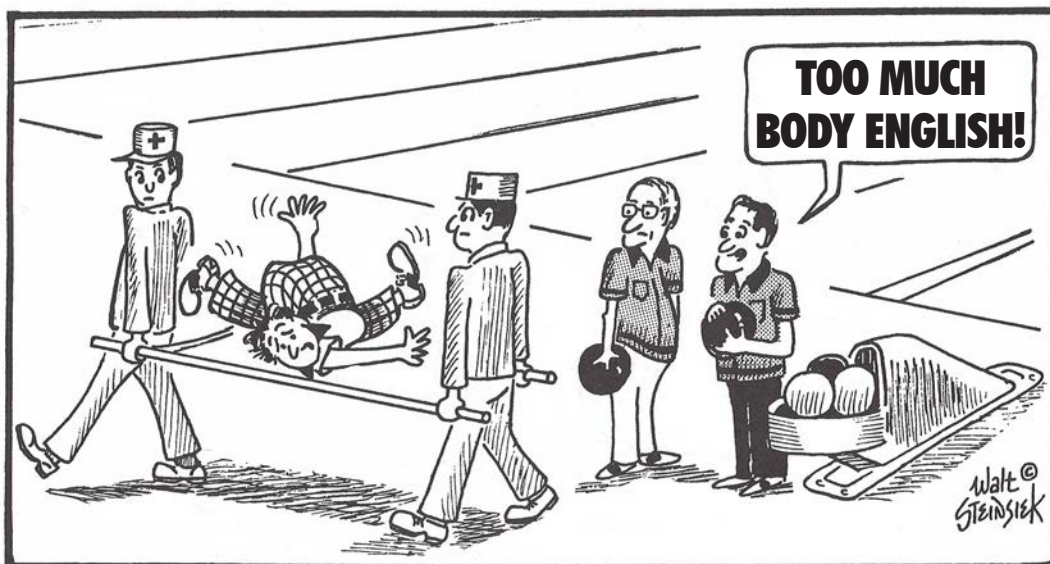

**... this is a big deal for me—
a big accomplishment.**

the other youths that if you want to be a director, you can come out. When you don't think about it, you're not thinking about it. No one out there is thinking, *I want to become a youth director*. Now maybe others will.

Do you have plans to celebrate your becoming a youth director?

Well, I think my mom is going to take me out to eat because this is a big deal for me—a big accomplishment. ●

USBC DATA, from page 3

fee increase is the first in more than two decades, when the fee went from \$3 to \$5 per lane for the 1995-1996 season.

The data from inspections for the 2018-2019 season show about 85 percent of all lanes measured were synthetic lanes or had synthetic overlays. Lane topography measurements, which include crosswise tilts, are taken on each of the five panels for synthetic lanes and three locations for wood lanes.

The 2018-2019 season marks the first time the United States Bowling Congress is analyzing all data received from lane certifications and is developing a database to examine all measurements.

The first, or head, panel was found to have the most out-of-specification measurements, though approximately 93% of the crowns and depressions are within specification and about 94% of the cross-tilt measurements are also within specification.

The backend of the lane showed the highest specification compliance with about 98% of the results for crowns/depressions and cross tilts on the last

three panels meeting the specifications.

USBC also looked at the end pair of lanes on each end of bowling centers, as there is a common perception that lanes on either the high end or low end of a bowling center tend to play different from the rest of a center's lanes. Data showed the topography variance was not significant, meaning if the lanes do not play the same, lane topography is not the reason.

Last year, USBC announced new requirements for lane in-

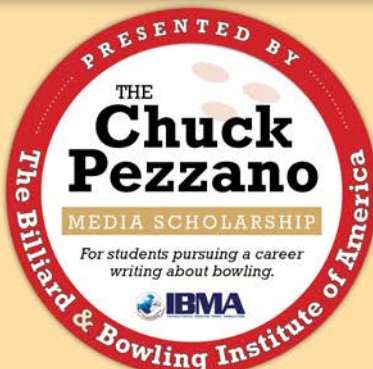

cations, and an examination of lane topography.

USBC has since been educating both associations and bowling centers about the changes, which included a new application for center certification for the 2018-2019 season. To ensure it would receive data from all center inspections, USBC allowed a one-year grace period for centers that receive an inspection and supplied USBC Headquarters with the inspection data and the three required signatures.

USBC also has worked to educate all stakeholders about the center certification process, conducting 30 Lane Inspection Workshops during the 2017-2018 season, including two workshops at the 2018 USBC Convention.

The work of the lane inspectors this season and next season will provide data that will help the USBC Equipment Specifications Committee better understand the true landscape of bowling center topography and other key measurements within the field of play and to set a clear path in this area.

Help Us Brighten the Days of America's Veterans and Active Duty Troops

The Bowlers to Veterans Link (BVL) was founded in 1942 by a group of bowlers who wanted to help boost the spirits of our active duty troops. When World War II hostilities drew to a close, we made a promise to veterans recuperating in hospitals across the country: We won't forget your sacrifice.

Today, we have grown to a national network of volunteers raising funds to continue our mission. BVL dollars pick up where government funding leaves off. We purchase sports equipment; provide music and arts programs; sponsor holiday parties and much more.

Thanks to BVL, smiles, laughter, and joy are brought to those who have served our country. Your contribution can help us make a difference in the lives of America's active duty troops and veterans. Visit www.BowlforVeterans.org to learn more.

BVL is a 501 (c) (3). Combined Federal Campaign #: 93325

BVL is a member of America Supports You and the Bowling Foundation.

BVL is also a donor member of VA Voluntary Service
and the Veterans Day National Committee.

Bowlers from across the globe will come to Houston for the 2022 United States Bowling Congress (USBC) Open Championships. The 119th edition of the event will be held in Houston for the first time at a new mixed-use, state-of-the-art sports facility being developed in North Houston. The USBC Open Championships attracts approximately 50,000 bowlers from around the world to compete for titles in three average-based divisions. The event normally runs from March through July, and it generates an expected economic impact between \$75 million and \$100 million during the six-month run.

The Bowie State University (BSU) women's bowling team this past season captured the Central Intercollegiate Athletic Association (CIAA) Bowling Championship for the fourth consecutive year and the eighth time in school history. Team members and BSU representatives displaying their championship rings include (from left) Nachele Daniels; NaVaughn Barnes; Bre'Ana Jones; Shannon Weaver; Clyde Doughty Jr., Vice President of Athletics & Recreation; Chantel Farlow; Diamond Carter; Head Coach (and NCAUSBCA Director) Andrew "Doc" Campbell; and Arlene Creek, Associate Athletic Director for Internal Affairs. (Not pictured: 2017-2018 senior Sean Lewis; Assistant Coach Laverne Campbell; and Shirley Pierpont, Bowlmor AMF Area Manager—Capitol District, who was presented with a championship ring for her strong support of BSU's bowling program.)
