Michael Tinsley

Andre Andrews

Steve Sipe

Since our last publication in March, NCAUSBCA lost two of its board members as well as two Hall of Fame members. President Michael Tinsley, who died July 15, was elected a director at the 2012 Annual Membership Meeting and became fifth vice president in 2015. He successfully ran for president in 2018 and was reelected for a second term this past February. He served as manager of the NCAUSBCA Senior Tournament for the past four seasons. The evening prior to his death at age 70, he appeared at an Executive Committee Meeting in the association office to prepare for the 2020-2021 season. ... Director Andre Andrews died May 5 at age 26. He was elected to the board of directors by attendees of the association's 2016 Youth Representative Meeting that preceded the Annual Meeting. A member of the Ways & Means Committee, he appeared at numerous association events, frequently assisting at youth and adult tournaments. In 2018, he was a recipient of the prestigious [NCAUSBCA Ted Gruszkowski Jr. Youth Star Award](#). ... Hall of Famer [Joan Burnett Taylor](#), who died May 8 at age 66, was the area's top-ranked female bowler five times, including three consecutive seasons beginning in 1984-1985. Among her numerous tournament victories were an all-events scratch championship and two scratch team titles in the Washington, D.C. Area Women's City Tournament. She was inducted into the Hall of Fame in 1988. ... Hall of Famer [Steve Sipe](#) died April 28 after a lengthy battle with cancer. He was 68. Sipe thrilled area fans when he qualified third for the [nationally televised finals](#) of the PBA Fair Lanes Open in 1981 at Fair Lanes Woodlawn. He placed in the association's "Top 10" rankings eight times, including the Number 1 position in the 1980-1981 season. Prior to his death, Sipe's Hall of Fame "Class of 1990" was the only class from the Hall's origin in 1963 through 2002 in which all of its members were still alive.

PRESIDENT'S MESSAGE • DARRON MAYES

New season, new challenges

To the NCAUSBCA Family:

Allow me to introduce myself: I'm Darron Mayes. Due to the untimely passing of Michael Tinsley in July, I, as first vice president at the time, took over as acting president until I was officially approved by the board of directors as president of this association.

I've been bowling all of my life and truly love the sport. I started out with my mother taking a bunch of family and friends bowling on weekends. I then joined a youth league at Bolling Air Force Base—and won first place my first year! I later joined the bowling team at Prince George's Community College and have continued with adult league and tournament bowling. I've held multiple league positions, including sergeant-at-arms, treasurer, and secretary.

Welcome to the 2020-2021 season. Bowling as we once knew it, due to COVID-19, possibly will never be the same. A sport that welcomed camaraderie, closeness, and "high fiving," has now evolved into maintaining a six-foot distance, while masked up and sanitized.

Safety being paramount, we must work together to follow the guidelines and muddle our way through this new era of bowling. As we march forward into the unknown, please be assured that the officers, directors, and volunteers of your association are at your disposal. We will be glad to assist you in any way we can and look forward to working with all of you.

President Mayes can be reached via eMail at president@ncausbca.org.

Please be aware of 2020-2021 rule changes

Last bowling season certainly ended like none other in recent memory. COVID-19 took over our lives, and we are even now dealing with the uncertainty created by not enough or, in some instances, too much information about how we can continue to do the thing we all

allowing for an open pair of lanes between pairs as well as stressing mask wearing. True, there aren't any hugs, but there is still some trash talking, so I am okay.

Quite a few leagues opted to wait until January to start back up, and it is great that the centers

Everyone should be aware of the situation concerning holes in the bowling ball.

love—I'm talking about bowling in a safe manner.

I am bowling in one of my leagues because the center personnel made me feel like they had my best interests at heart in

are cooperating in allowing for this option.

There aren't any surprises from a USBC standpoint: The membership dues are still the same as last season, and everyone should be

aware of the situation concerning holes in the bowling ball. This has been talked about for almost two years, so no excuses. The ball is considered illegal if there is a weight hole in it, and this will result in the game(s) being forfeited if discovered.

It is very important that secretaries send in their league registration and membership information ASAP. We need to plan for tournaments and won't be able to set up the events if we get registrations late. As noted on page 3, if you are looking for ways to have as little contact with the membership/registration process, you can [apply for a membership](#) on the [BOWL.com](#) site.

I am sure you are reminded often to be safe and to wear your mask. Please take this advice to heart and hopefully keep the virus at bay so we can return to league bowling in a big way.

Ronald McGregor can be reached via eMail at manager@ncausbca.org.

Due to the COVID-19 pandemic, the second weekend of the 2020 Women's Championship Tournament was not conducted, and the entire Open Championship Tournament was cancelled. Since the Official Average Leaders listing began with the 2017-2018 season, Championship Tournament scores are not considered—only demonstrated support for the appropriate (men/Open, women/Women's) event. Thus, for the above listing, only members whose name appeared on the appropriate entry form and who also possess a 66-game (minimum) certified NCAUSBCA 2019-2020 league average were considered for recognition.
