

# Angela Neal Rolls Fifth Perfecto in WDCAWBA History

Angela Neal of the District last month rolled the fifth perfect game in the history of the Washington, D.C. Area Women's Bowling Association.

The 27-year-old left-hander shot 300 in her third game of the Parkland Travelers League at Parkland Bowl. She began with games of 162 and 188 for a 650 series.

Neal, who is currently averaging 176, still has yet to accomplish her other bowling goal: a 700 series. Her highest series is 683.

Neal will receive \$300 from Parkland management in addition to local, state, and national awards.
