

## Robinette and Tyson "Team Up"

In the "social event of the year," top area bowlers Jim Robinette and Carol Tyson became man and wife at the Springfield Methodist Church. A reception for 200 was held at the Springfield Hilton. The rock'n roll

band was "great," and a good time was had by all. (However, sources inside the church claim they heard the groom state repeatedly, "I can't believe I'm missing the *BOWL Magazine* Tournament!")
