

MAL EVANS SHOOTS 299/760

Mal Evans, who's been burning up the lanes in two leagues at Fair Lanes Springfield, stopped the house action last month with 11 strikes in a row. With some 200 bowlers gathered behind his lanes, his 12th ball went winging directly into the pocket, but amidst all the flying wood the 7 pin was untouched and stood tall giving Mal a 299.

Evans holds a 212 average in the Virginia Masters League and a 208 in the Sinners. His first game was a 246, the 299 went into the middle, and he closed with a 215 for a 760 set, the highest so far this year in the Association.
