ALL TIME CITY RECORD BROKEN

Fair Lanes Wheaton Plaza has been enjoying exceptional scoring particularly from its youth bowlers.

A young left hander 15 year old Mark Evangelista shook rafters, floor, spectators and a twelveth strike which just wouldn't go, leaving the 6-9-10 for a 297.

This was the highest game ever recorded by a yough bowler in the Metropolitan Bowling Area and the highest game recorded in the Fair Lanes Youth Bowling Program.

Mark is currently taken over the lead in the Fair Lanes Boys Tenpin Division of the \$500.00 Educational Grant. Mark's 297 bested Joe Tharp's 277 high game set rolled at Fair Lanes Wheaton Plaza two weeks ago. Nelson Davies another Fair Lanes Wheaton Plaza Youth Bowler had previously held the Fair Lanes Education Grant lead with 269 high game.

Mark Evangelista age 15 rolled a 297 game in the Swingsters Youth League at Fair Lanes Wheaton Plaza.
