Phrase I hear most from youth bowlers	Time I normally wake up each day	First thing I drink in the morning	Nothing annoys me more than	Famous person I'd most like to meet	Top interest outside of bowling	You might be surprised to learn I like	I love coaching youth bowlers because
"I can't do it!"	5:30 a.m.	Orange juice	Liars	George Strait	Skiing	Roller coasters	I love to see them succeed and see the expressions on their faces
"Ah, man!"	6:30 a.m.	Hot tea	Traffic	Cicely Tyson	Reading	Crochet	I love working with kids
"How do I get a ball to hook?"	6:15 a.m.	Water	Arrogant people	Walter Ray Williams Jr.	Fishing	Fishing	It's very rewarding
"I'll get the next one!"	4:30 a.m.	Water	A know-it-all	Vanessa Williams	Golf	Sewing	I would like to see them get better and to have a successful youth program
"I'm gonna quit!"	6 a.m.	Chocolate milk if I have it—otherwise, water	A constant complainer	Oprah Winfrey	Watching TV	Working with kids	I love it, plus it keeps them off the streets and teaches them not to be afraid of competition
