

Rich Ficken Qualifies For ABC Collegiate

Rich Ficken, former junior bowler in Vir-Mar-District and winner of a \$1,000 college scholarship in last year's All America Youth Bowling Championships tournament, finished second in all-events during the ACU-I, Region 4, tournament at the University of Maryland. Ficken, bowling now for the University of Maryland, piled up a 1757 total for the all-events runner up spot behind Jerry Novosleo from Penn State with 1777.

Both Ficken and Novosleo will participate in the collegiate events at the ABC tournament in Indianapolis as a result of their one-two finish in the ACU-I tourney.

The men's team from University of Maryland won the men's division and a women's team from Penn State took the distaff honors. The US Naval Academy team was third.

Thirty three schools from five area states participated.
