Johnnie Holt, John Jenkins win Virginia Lottery jackpots worth \$700,000 at Bowl America Shirley

NCAUSBCA members and Bowl America Shirley employees Johnnie Holt (left) of Springfield and John Jenkins (right) of Alexandria, who each recently won Virginia Lottery jackpots of \$500,000 and \$200,000, respectively, appear with their boss, center manager Rick Brooks. Holt, whose winnings came via the Jumbo Bucks Scratcher game on December 21, at first put his ticket down after scratching it. To ensure his eyes were not deceiving him after a second glance at the ticket, he sought confirmation from Brooks, who then excitedly introduced his latest big winner via the public address system. Meanwhile, Jenkins, who allowed the computer to randomly select his numbers via the Easy Pick option, matched the first five numbers in the November 6 Powerball drawing and reacted calmly upon learning of his good fortune. Both gentlemen stated they planned to continue working at the center.
