Bowlers may enter doubles multiple times, but cash only once with the same partner. Doubles re-entries are allowed only if both bowlers have previously bowled their singles events. Bowlers may enter teams multiple times, but cash only once with the same 4 team members. If 2 members on the team have changed, bowlers may cash multiple times. Handicap and scratch all events totals shall be based on the bowler's 1st doubles, singles and team scores bowled. Bowlers may also enter in the Optional Crossover Doubles multiple times, but cash only once with the same partner. Crossover Doubles partners (any combination) must bowl on the same squad and already be entered in the tournament doubles event for the same squad.
3. The handicap will be 90% of the difference between the bowler's entering average and 220.
4. Bowlers will use their highest certified winter average for 2013-2014 based on 21 games or more. If there is no 2013-2014 winter average, bowlers must use their highest 2014-2015 winter average for 21 games or more, as of May 31, 2015. Tournament officials have the right to re-rate any bowler prior to bowling. If the bowler does not accept the re-rated average, the entry fee shall be returned.**
5. It is the bowler's responsibility to verify the accuracy of their own average no matter who may submit the average. Failure to use the correct average shall disqualify the score if the submitted average is lower than the correct average. Average corrections should be made prior to the completion of the 1st game of the event bowled. If a higher average is used, the prize winnings will be based on the higher average. There shall be no return of entry fees when disqualified. USBC rules 319d (reporting prize winnings of \$600.00 or more) and 319e (average adjustment rule) will apply.
